27 December 1954

MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT: Survey of Signal Center Cable Reference Service

It has been determined from a study of the above subject that the most practical means of providing vital document protection for current cable traffic would be through the daily deposit at [redacted] of a copy of each incoming and outgoing cable. Both the Assistant Director for Communications and the Cable Secretary have concurred in this, and, with your approval, we will proceed with implementing the proposal.
